Riverside Elementary Differential Pay Plan 2013-14

40% Collaboration Pay Plan

- Teachers will earn \$33.33/hr for up to 14 hours of collaboration time outside of regular contract hours.
- Teacher collaboration time may not include things like grading papers etc.
- Teacher collaboration time must be planned, focused on school goals/programs, curriculum development, and approved by the building administrator.
- Time spent working individually will not count. Hours must be spent in collaboration with grade-level or school-level teams.

60% Achievement Plan

- Teachers may earn $\frac{1}{2}$ of the remaining amount of the differential pay by ensuring that student scores increase 5-10% on the Idaho Reading Indicator from fall to spring.
- Teachers may earn $\frac{1}{2}$ of the remaining amount of the differential pay by ensuring that student scores increase 5-10% on the Math computation screener from fall to spring.
